H.R. 1663

National Medal of Honor Memorial Act

*As ordered reported by the House Committee on Veterans' Affairs
on September 22, 1999*

H.R. 1663 would recognize three sites in California, Indiana, and South Carolina as National Medal of Honor sites. CBO estimates that this bill would have no budgetary impact because it would only confer recognition on these sites and would not authorize any additional federal action or spending.

Because H.R. 1663 would not affect direct spending or receipts, pay-as-you-go procedures would not apply. This bill contains no intergovernmental or private-sector mandates. Any costs to state or local governments as a result of enactment of this bill would be incurred voluntarily.

This estimate was prepared by Evan W. Christman. This estimate was approved by Robert A. Sunshine, Assistant Director for Budget Analysis.
